PAST Experience

Senior UI/UX Designer

Alibaba International Group Lazada

2018-Present

- Developed design strategies for key buyer-facing commerce initiatives, helping the business achieve target KPIs while delivering a seamless user experience and maintaining consistent implementation of the global platform design language.
- Created brand guidelines and scalable implementation toolkits, driving adoption across teams and strengthening understanding of campaign and promotional design systems.
- Led global campaign and branding projects from initial brief and concept development through production and final asset delivery.
- Delivered end-to-end design solutions for user-growth initiatives, including audience segmentation, pain-point identification, behavioral journey mapping, visual design, motion design, and experience optimization.

UI/UX Designer

International Digital Currency Group

2017-2018

- Led UI/UX design for a crypto trading platform across mobile apps, Web3 products, and websites.
- Developed a comprehensive brand identity and design system, including logo design, visual motifs, color palette, typography, iconography, photography and film direction, and applications across digital and physical touch points.
- Collaborated with creative and production agencies to ensure the brand language was translated consistently and effectively across TV commercials and campaign content.

UI/UX Designer

Passfeed App HK

2015-2016

- Led end-to-end UI/UX design for an online food-ordering platform across mobile apps and web experiences.
- Designed core product pages and key user-facing channels from initial concept and user-flow development through prototyping and final delivery.
- Developed a comprehensive brand identity and design system, including the logo, visual language, color palette, typography, iconography, photography, and applications across digital and physical touch points.

Visual/Product Designer

Zerolemon LLC USA

2013-2014

- Developed a comprehensive brand identity and design system, including logo design, visual language, color palette, typography, iconography, photography, and TV commercial direction.
- Designed offline marketing collateral, including campaign posters, brochures, catalogues, and other print materials.
- Created digital marketing assets across social media, email campaigns, websites, and display banners.
- Collaborated with creative and production agencies to ensure consistent and effective brand expression across advertising campaigns, creative assets, and short-form video content.

Marketing Assistant

KPMG Advisory China

2012-2013

- Designed corporate marketing and communication materials, including presentation decks, brochures, and promotional assets.
- Provided English interpretation and communication support for international delegates.
- Managed end-to-end conference planning and delivery, including venue sourcing and booking, budgeting and cost control, agenda development, vendor coordination, attendee management, marketing support, on-site execution, and post-event follow-up.
